V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I am seeking money damages for my complaint, because I was treated inappropriately at work every day. I wouldn't have been as ill with my health problems if I didn't have to work around as many allergens at work, especially due to my synthetic fragrance allergy. I think I was treated unfairly and not given opportunities to cross-train, learning new job skills and positions. In addition, others were offered better positions in the company (than the job I worked), and the management treated me unfairly when I asked about working different jobs. In addition, I think others were trained differently than me for the position I worked, and the way I was trained was more confusing at times. I think I was fired for invalid reasons, and I think I was fired due to complaining to HR about my synthetic fragrance allergy.

VI. Certification and Closing
